

QUARTERLY IMPACT REPORT: Q4 2015

Electricity Generated this Quarter

Electricity Generated each Quarter

OUR IMPACT TRACKER

334

Number of Solar
Panels Installed to Date

27,920

Total kWh of Energy
Generated in 2015

13,959,780

Hours
of Light

ENERGY GENERATED IN 2015

Our education projects generated
enough energy to power

106,575 Hours of
Computers in School

Our health projects generated
enough energy to power

1,363 Cesarean
Sections in Hospitals

Our agriculture projects generated
enough energy to power

2,047,792 Liters of Water
Pumping On Farms

GOAL

We will power 1,600 solar panels by end of 2016

21% COMPLETE
